

Focused Systems Thinking
Taking My Results to the Next Level
Notes

The puzzle I came with tonight

A statement about the situation that speaks to what I want to do about it.

A question I have that will lead me to discovery of what I want or need to know to dissolve my puzzle.

What next step makes the most sense?

Questions as they come up	Answers as they come up

My definition of a System

Habits of a Systems Thinker that might apply to this situation

Using my time effectively will improve if I...

Focused Systems Thinking
Taking My Results to the Next Level

Notes

Facts, figures, data, or any Information I need	Feelings, Intuition, Hunches
Logical Downsides	Logical Positives
Alternatives, New Ideas	Organize, Summarize and Conclude
